CONFIRMATION NAME

One of the traditions in the Church is choosing a name that will remind you of the Sacrament of Confirmation. It symbolizes for you what it means to live as a Catholic. The saint/biblical person's name that you choose is a reminder of how Jesus calls you to develop the same Christ-like attitude that the saint/biblical person demonstrated in his or her life. If your baptismal name is that of a recognized saint or biblical person, you may want to consider using your name as your Confirmation name. This would connect your Baptism to your Confirmation. However, it is recommended that you research your name to see how that person's lifestyle has meaning to you. This would be a great project for you and your sponsor to work on. When researching a person, ask yourself the following questions: How did this person love others? How did this person work for peace? In what ways did this person help the poor and oppressed? How was this person Christ-like? Did he/she go the extra mile in sharing Jesus Christ to others? How does this person remind you of yourself? What qualities would you like to acquire from this person?

Spending some time in prayer will help you determine the name that you would like to take. Whatever name of the saint/biblical person you select, it should have special meaning or connection to you.
